

PRAY FOR RUSSIA
TRANSFORM WORLD RUSSIA 2009
12-14 MARCH 2009

Pray for Conference vision: The Lord gave us the vision that as in 1917 from the North Capital of Russia (St. Petersburg) has come the black night of the communism which has swept off the lives of 60-100 millions of Russian people. So today, 92 years afterwards He can through our prayers give way to the All-Russian transformation of the society, as He has said in His Word: Zachariah 6:8 *"Then he cried upon me, and spoke unto me, saying, Behold, these that go toward the north country have quieted my spirit in the north country"*.

Pray for Conference goals: Looking for the Face of The Lord, for His Will for the salvation of Russian people and for God's ways of coming into Russia of His blessings. Consolidation of the united prayer for transformation of Russia, for opening of the doors for mass evangelism and sharing the Good News in our country. Establishment of "Tabernacle of David" - National 24-hours prayer watch - "House of Prayer of Russia". During the conference the speakers invited from Israel, USA, Bolivia, Singapore will share their experience of transformation of towns, cities, regions, and even nations.

Pray for Conference issues: The transformation experience of the whole cities & nations. The transformation models of such countries as Norway, Korea, Latin America countries. World Wide Prayer Watch. Tabernacle of David - 24-hours prayer ministry 24/7 in your town, city, region, nation. Israel and Church. The natural family, as foundation for the well-being and transformation of societies.
