**TFW Poverty Challenge and Million Village Challenge UPDATE**

Greetings friends! Thanks for so many of your responses. The Gathering Wave is growing!

**NEWS BRIEFS**

**SOUTH EAST ASIA**

**MYANMAR**

When you receive this letter we will be meeting with leaders from all over Myanmar for another Million Village Challenge!! Pray for continued commitment and follow through to every village!

**WEST AFRICA - BLAZING AHEAD!**

**TOGO**

Please pray for the work in Naki-Ouest, Togo.

**BENIN**

We are asking the Lord to raise up a model and movement in Benin.

**BURKINA FASO**

In Kouba, there will be a TOT TCD (Training of Trainers on Transformational Community Development) and a graduation of one of our model villages. We will be teaching MVC to participants from 4 francophone West African countries so they can proceed to initiate the program in their countries.

**EAST AFRICA**

**SOUTH NIGERIA**

East Africans are being hosted in South Nigeria. They will be trained for MVC East Africa! We are also praying for the MVC scheduled for April 6 in South Nigeria.

**KENYA**

Our first model cluster of villages, around the northern Kenyan town of Isiolo, is going great. So we're now asking God for partners to help open two more village clusters around two more towns in northeastern Kenya. Northern and eastern Kenya are critical areas to help poor villages and undercut the recruiting grounds for Al-Shabab.

**SOUTHERN AFRICA**

We are working on a network together with organizations from different spheres to recruit and train master trainers on TCD. Then they will be able to join wholistic development processes in rural communities of Southern Africa.

**MIDDLE EAST**

**EGYPT**

In the Upper Egypt Village Cluster, we are still working through small group methods in teaching and growing people. They are still doing development for their people. They see the need of their community, and through Training of Trainers (TOT), we focus on how to measure transformation.

**SOUTH ASIA**

**NEPAL**

We are now launching new model villages in East Nepal! On the slopes of the Himalayas!

**EUROPE**

We are starting and expanding Urban Strategies in Europe!

**IRELAND**

“Serve the City” is launched in Cork, Ireland!!

**AMSTERDAM**

There will be a Vision Sharing in April on Neighbourhood Transformation (NT) at a European conference for Nigerian churches. It will be held in Amsterdam.

**LONDON**

Working with a European core team on Urban Transformation to get city teams from EU cities together for catching the vision to reach their cities wholistically. This vision meeting is via a Movement Day Global Cities Conference to be held in October in London.

**NETHERLANDS**

In the Netherlands, we are coming together with a small core team of leaders from 7 cities (Amsterdam, Rotterdam Groningen, etc). We will look at how we can support and broaden a movement of city transformation.
