## *THE CHURCH: CHRIST'S AGENT OF SPIRITUAL AND SOCIAL TRANSFORMATION*

23 April 2017

Dear Servant of the Most High God,

Warm greetings in Jesus' name! We are writing to invite you to the Transform World 2020 Global Leadership Summit VI 2017 to be held in beautiful Guayaquil, Ecuador from October 31 (arriving on October 30) to November 3 (leaving in the afternoon), 2017. "God has prepared things for those who love him that no eye has seen, or ear has heard, or that haven't crossed the mind of any human being" (1 Cor. 2:9). The stories that will be told and reports that will be given of spiritual and social transformation in response to seven mega challenges, seven spheres of cultural influence, ten regions and three generations will encourage your hearts, illuminate your imagination, and link you to other servant catalysts on God's mission of transformation around the world.

Our theme for this Summit is "*The Church: Christ's Agent of Spiritual and Social Transformation.*" We will be envisioning the "Transformed CHURCH to transform community, city and nation." At the center of God's plan of transformation lies the church. Scripture makes it clear that the transformational mission of God involves bringing together all things under the headship of Christ (Ephesians 1:9-10) through the church, which is His body. The church is the fullness of Christ on earth, who fills all in all (Ephesians 1:22-23), with the result that all things on earth are reconciled and aligned to Him (Colossians 1:20). The body of Christ world-wide is God's agent of transformation under the headship of Jesus Christ. Every Christ follower in every community and nation—including the children and youth—are called to involvement in Christ's transformational mission. We see God's view of transformation in Jesus Christ, the head of the church, which is his body, (Colossians 1:18), described as the fullness of him who fills everything in every way (Ephesians 1:23).

As servant catalysts and facilitators on God's mission of transformation we come together at the 2017 Summit with a special focus on responding to all seven challenges (Ideological/Islam, Family, Orphan, Poverty, Justice, Christ's Missional & Celebration), engaging in all seven spheres (Arts, Business, Church, Media, Education, Family & Government), ten regions and three generations working together as members of the body of Christ.

We look to the Lord Jesus Christ, the affirmed CEO of TW2020, to lead and guide this movement. Building upon the foundations of the TW2020 Summit I in Bali in 2012, Summit II in Kansas City in 2013, Summit III in Geneva & Macon in 2014, Summit IV in Incheon in 2015 and Summit V in Bangkok in 2016, we are grateful for the prayerful response and receptivity of the Transform World 2020 Vision throughout the world.

The early bird participant cost for the conference will be USD300 per person for a twin-room sharing with consideration for scholarships, except the countries listed in [http://en.wikipedia.org/wiki/The\\_World\\_Factbook\\_list\\_of\\_developed\\_countries](http://en.wikipedia.org/wiki/The_World_Factbook_list_of_developed_countries)
