

WATCHMAN RISE AND BUILD Global Awakening Summit 11 - 18 August 2017

"I have set watchmen on your walls, O Jerusalem; They shall never hold their peace day or night. You who make mention of the Lord, do not keep silent, and give Him no rest till He establishes and till He makes Jerusalem a praise in the earth." Isaiah 62:6-7

*"That in the dispensation of the fullness of times, He might gather together in one all things in Christ, both which are in heaven and which are on earth—in Him."
Ephesians 1:10*

Dear Transform World friends,

We are writing you by way of invitation to the "Watchman Rise and Build Global Awakening Summit." It will be held in Herrnhut Germany, 11-18 August 2017. We would love to see you! Sensing a convergence of God's timing and purpose for the gathering, the summit will be an international convening of nations to mark the 290-year anniversary of the outpouring of God's Spirit in Herrnhut. After some very intense prayer time and discussion, we would like to share the following summary of our thoughts with regards to the time in Herrnhut in August.

The Herrnhut summit will see participants from many nations gather under the **joint banner** of [Global Watch](#) and the International [Fellowship of Transformation Partners \(IFTP\)](#).

The purpose of this gathering is to worship, and pray with the body of Christ from across the nations, as we re-identify with the humility and desperate prayer that led the Moravians into genuine community and the transforming presence of the Living God. Through the week together, our desire is to experience the culture, identify key principles that drew God's Presence at Herrnhut and leave with clarion vision of how to bring the "Lord's Watch" into our own communities and the nations for these end times.

Above all, we wish to hear from God concerning any obstacles that may be hindering us from experiencing the fullness of His power — particularly in the Western world where transforming revival is at such a deficit.

As a prayer movement, we also want to deliberate together and before God about the grave issues of our day. With distraction, rationalization, and spiritual rebellion weakening the Church's foundations and influence within society, we desperately need a fresh word from heaven. In particular, we need to know how God would have us think and pray in this critical hour.

To this end, there will be worship/prayer interwoven throughout the sessions. Each morning of the summit will see participants break out into groups where they will engage in facilitated discussions prompted by a set of **core questions**. In the afternoon, these discussions will give way to a season where participants

will **get alone with God, seeking His thoughts** on the matters we have been deliberating. To help remind us who we will be talking to, this time of listening will be preceded by corporate worship.

Participants will use notepads and digital devices to record God's response to the questions posed.

In the evenings, we will receive summary accounts (assembled by facilitators) of **what God has spoken to His people**. Interspersed will be several **inspirational messages and short focused teachings**. Then, on the final full day of the assembly, these messages will be reviewed in facilitated discussion with the purpose of **extracting relevant action items**.

Believing that revelation must be acknowledged, and followed by obedience, the two sponsoring movements, [Global Watch](#) and the [IFTP](#), will caucus with their constituents to **consider practical ways of walking out the summit conclusions**.

This gathering convergence will **NOT** be a conference, or like any other summit you have every attended! May the Lord guide you as you pray about joining us for this exciting gathering.

Please do not hesitate to contact us should you have any questions. I am looking forward to hear from you.
