Trumpet Call to the Nations: This issue is focused on the testimony of Jesus rising, light and hope shining brighter in the midst of increasing darkness.

Egypt: A redemptive plan unfolding

"In that day the Lord of hosts will be for a crown of glory and a diadem of beauty to the remnant of His people, for a spirit of justice to him who sits in judgment, and for strength to those who turn back the battle at the gate."

Isaiah 28:5-6

Our hearts ache for the continued crisis of ISIS and now the tragedy rising out of Egypt. In response, we are sending this reminder of the vital role Egypt has played in biblical history. It was the nation Abraham escaped to flee the famine in the land (Genesis 12:10); that harbored and elevated Joseph in power to save Israel (Genesis 41:41); saved and nurtured Moses to deliver Israel (Exodus 7:1-2); and was a place of refuge for our savior and delivered Him to save us all (Matthew 2:13-20).

Let us pray for God's full redemptive plan for Egypt. Remember, the Camp David Israeli-Egyptian peace treaty between three most unlikely leaders (Anwar Sadat, Menachem Begin, President Carter) in 1978 still holds. Egypt has a delivering mantle. As the strike was against the Coptic church, Egyptian leaders have requested to pray for the Coptic church, the people and the leadership, for revival and being raised up. There are great seeds of revival ignited by fervent prayer, accentuated by miracles, ([Ex. Cave Church, Mokkatam, Simon the Tanner](#)) in the church in Egypt. May these righteous seeds sprout with new vigor to turn the battle at the gate. A mighty redemptive plan is unfolding. It is why the

nation has been struck. Already a key Christian leader has written:

"We are very consoled and even the families of the 21 Christians are very consoled and brave. Their reactions was a message of Love and forgiveness to all the Egyptian people, it was a real testimony of our Christian faith. We are sure that everything happens for a reason, sometimes we don't understand God's will but we are sure that it's for God's glory. People started to ask about the families' faith, and how they are happy about their son's, brother's and father's death. It's a year of harvest and God chose this time and situation to be able to share our love and faith with the whole world." NM, Cairo, Egypt (TW Middle East regional facilitator)

Pray that fear be struck down and new strength to rise. Pray for fear to be bound and love to abound. "Perfect love casts out all fear." A few scriptures:

- "For there is hope for a tree, if it is cut down, that it will sprout again, and that its tender shoots will not cease. Though its root may grow old in the earth, and its stump may die in the ground, Yet at the scent of water it will bud and bring forth branches like a plant." Job 14:7-9
- "But to you who fear My name the Sun of Righteousness shall arise with healing in His wings." Malachi 4:2
- "For God has not given us a spirit of fear, but of power, and of love and of a sound mind." 2 Timothy 1:7
- "There is no fear in love; but perfect love casts out fear." 1 John 4:18

May the God of salvation and deliverance show his salvation again in and through Egypt. Let this be the turning point. Egypt is a delivering nation!

"Blessed is Egypt My people, and Assyria the work of My hands, and Israel My inheritance."

Isaiah 19:25

On the Wall,
Fred and Sue Rowe

A Focus on the "Testimony of Jesus" to Encourage All

Below are stories we believe reflect the times today... Jesus' light shining in the midst of

We are very encouraged by the sense of family rising in the nations through relationships. Below are key announcements. We know there are many more. If you have a testimony, word, or key gathering you would like distributed

below are stories we believe reflect the times today: peace, light shining in the midst of darkness with resurrection power.

Testimony from Kathmandu, Nepal

(unedited) Almost 15 years ago, in 1999, I went to Nuwakot with my family to start new church. At that time, there was no church in that area. We rented a house in Bidur, a small town of Nuwakot, and moved in. After few weeks we were preparing for the opening service of our new fellowship. A group of people approached and started kicking me. To this day, I still vividly remember that unforgettable moment. The big crowd shouted "Hit him! Hit him! These Christians are religion changers, relationship breakers, western religion promoters, cow-meat eaters", and yelled many other accusations and curses. My wife had been watching from the gate and was crying as my 1-year-old son lay sleeping in the room. The crowd dragged boxes of hymnbooks and the Book of John and Romans and burned them in the road. After a few hours, they threatened me forcefully demanding we leave town within 24 hours.

I returned back to Kathmandu with my family. I have devoted my life in God's work. We prayed and went to Itahari (east Nepal) after a few months. My family and I spent almost 9 years in Itahari. During that time God established His church in two places (Itahari and Kerkha) through our life. Then we moved back to Kathmandu where I am presently serving at Grace Baptist Church and Micah Network Nepal.

All these years later, the memory of this event remained fresh in my mind, but I never returned to Nuwakot. We almost forgot to pray for that place and those people. The day before yesterday, I traveled back to Nuwakot after 15 years to provide training for local church leaders. When I reached the town, all the past moments flooded my mind. When I got to the place where I was persecuted publically, I could not believe my eyes. There, in the same house where I wanted to start our fellowship, was the signboard of Bidur Revival Church.

I met Pastor Dil Bahadur Ghale. I asked him about his fellowship and he started to explain about its history. He said, "Many years ago, a couple came to this town to preach the gospel and plant a church. Unfortunately, they were persecuted by the local people so the missionary family were forced to leave this place". I asked about the unknown family, "Do you know where they came from? What was their name?" He replied, "No."

I'm not sure I can even express how that made me feel... perhaps happy, or sad, or maybe a little of both. I introduced myself and explained, "I am that person standing in front of you who left this town with prayers of forgiveness." He became so surprised. Later, I met some neighbors and they recognized me once I introduced myself.

Today, I am so thankful to God for this great plan. Where we planted seed, God showed me there is fruit now. I am greatly encouraged. I pray; Almighty God, you have chosen me as your servant in this world. I want to live my life more closely, more devotedly, more prayerfully. Please give me strength and good health."

Thir K.C.
Kathmandu

Testimony from Yozgut, Turkey

(unedited) This story is from a very difficult area with a lot of spiritual oppression. A Christian lady whose children were taken away in a vicious battle during court proceedings for divorce by her Muslim ex-husband and mother-in-law is praising and thanking the Lord. Her ex-husband came to her and said she could have the children back and that he was disillusioned with Islam and wants to learn more about her faith. She is now in a Bible School that is giving her training in the Word and will provide housing for she and her children. Her ex-husband wants to visit her at the Bible School and learn about her faith himself.

Istanbul, Turkey (name withheld for privacy purposes)

Testimony from Bakersfield, CA: Amazing Story of HOP Developing

There has been an amazing set of circumstances that has unfolded here in our local city Bakersfield, CA over the past few weeks. Our church, which has opened their doors to our call to establish a HOP and where we presently meet, has just been donated a 6.2 Million dollar complex in the center of our city. It has 172,000 + square feet and is an amazing facility with parking etc. The vision is for the facility to be a "City Center" with a HOP in it with restaurants, and ministry outreach facilities (yet to be determined) that will minister to the needs of the community. The papers were handed over on a Friday in January. News of the high speed rail legislated to come through the city hit the following day, Saturday. As a result, calls came in to buy the facility just 24 hours after the donation but it was too late. The donation had already been made.

Recently, we dropped by to show some friends the facility. Some youth were there cleaning up the place with worship music going. We found out later that two homeless people came by that same day, and came to know Jesus as they ministered to them. Also, we found out that the pet store owner in the complex next door has been going around the building for the past several years anointing the doors and praying for God's will

to happen in the facility.

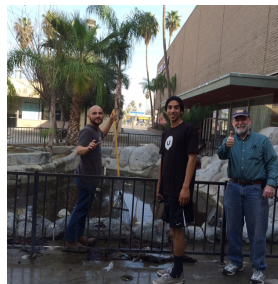

We were reminded in our discussions that the first time David brought the ark in to Jerusalem was through pomp and circumstance, the second time was through sacrifice. Though this is at a very infant stage with much to overcome, we can only see God's hand in it, a sacrifice that will bear fruit in the future. Already contractors willing to donate time and resources are moving in. Key ministries are aligning including a West Coast Convoy of Hope Distribution Center.

What is the message? Though often in unseen and hidden places, do not grow weary. God is the God of breakthrough. When He does it, it is so much better than our best efforts. Though in HOP environment for nearly 17 years now here, we have sensed God's restraint for a building and to focus on staying steadfast in often humble and difficult places. Be encouraged. He is hearing the cries. **Please pray now for the wisdom, grace and favor in stepping forward.** 2 Chronicles 20 is very much on our heart for strategy and the testimony of Jesus to grow...may it be a glory to Him and His goodness.

Blessings,

Fred and Sue Rowe

Solomon Islands:

A new strategic alliance between HOP and outreach to the poor:

The Australian HOP for All Nations has linked arms with Rick Rupp IHOPKC to partner in several Solomon Islands

projects. The projects will service the poor through medical clinics, clean waterwells, and funding for an Orphan/Visitor House. Way to go! May God richly bless as you reach out to the poor!

Testimony: Inherit the Nations Project

Inherit the Nations is an initiative to connect 250 unreached people groups which would cover 90% of the unreached with houses of prayer that will adopt and pray for them, the missionaries being sent to them for a great endtime harvest. For more information [click here](#). If your HOP, church, or prayer group would like to adopt an unreached people group click [contact](#).

Australian House of Prayer, Adelaide, Australia

After we connected with Inherit the Nations, Jonathan (the director) delegated the Arabs of Morocco as our unreached people group. We only knew the first name of our connection in Morocco, but amazingly it is not only a person from our nation but he is from our city!! Further, he is the son of a pastor on our Parliamentary prayer team. All of this was orchestrated by the Lord, beginning with you inviting Jonathan on the conference call.

From Annette Tuttle, Symphony House of Prayer in Manchester NH:

"Only God! You probably don't realize this but *we have a missionary from Shiloh preparing for ministry in Pakistan...* guess to whom???? Yes you guessed it...the Pukhtoon people [their adopted group]. So we already have reason to pray for our missionary and this people group. Too Funny!"

From Lilongwe, Malawi:

Wow, to God be the all the glory! He is surely the GOD of Psalm 77:14. Hallelujah! What a privilege to be part of a community passionate for the nations, we are very optimistic they will be reached before the trumpet blows! Here is another testimony:

A lot of Bible school students here are very passionate about the nations since we introduced the Tatars in the chapel. Every afternoon they are being coached by one of our missionaries to India Rev. Rueben Kachala on "Goers, Senders, Mobilizers, Intercessors and Welcomers." Shockingly most students have filled forms as Goers. As I write now today three missions agencies in our country are sending their representatives to have a chat with students on modalities involved in sending a missionary

Third year Anniversary! March 17th, 2015

Congratulations on your 3rd anniversary. An amazing work of unity between HOP and local churches. Congratulate them!

Restoring God's Feasts

an invitation to intimacy

Passover: April 3-10, 2015

Accentuated by the recent events in Egypt, God is moving to restore the import of His timeline, the Jewish feasts, to the church in preparation for His return. Passover this year is April 3-10. At the time of the first passover, God called the Israelites to gather, retreat under the mantle of their doorposts, and commune with Him. He was preparing them for a great deliverance. So it is today. He is preparing us for a great deliverance...Jesus' return. Passover is one of the great commemorative feasts of Israel in which God commanded, "So this day shall be to you a memorial, and you shall keep it as a feast to the Lord throughout your generations," Exodus 12:14.

Jesus shared with his disciples the Passover feast in which he broke bread and said, "This is My body which is given for you; **do this in remembrance of Me,**" and said, "This cup is the new covenant in My blood, which is shed for you," Luke 22:19-20.

To accentuate the focus towards understanding Jewish feasts, we are in the midst of a significant sign. We are in the eighth tetrad of red moons since Christ's birth, appearing at the beginning of the Feast of Passover and Feast of Tabernacles, 2014, 2015. The red moon for Passover this year is scheduled for April 4th. God is calling our attention to His timeline for a reason. He is preparing His bride for His return.

April 4, 2015: Passover Red Moon

We invite you to join with your family, church, house of prayer, prayer groups in celebrating Passover this year. **It is an act of redemptive spiritual warfare, honoring God on His timeline.**

Trumpet Call to the Nations Statement of Purpose:

Build and connect houses of prayer through relationship to inspire and mobilize a movement...

"Trumpet Call to the Nations" is the Transform World Celebration Challenge focus on building and connecting houses of prayer. It is about mobilizing and strengthening a movement, not interfering with already formed networks or churches, but rather building bridges and foundations of relational strength in and between established houses of prayer. Raising up new houses of prayer where they presently do not exist by encouraging, equipping and empowering local leadership. We believe this is a movement that God is birthing that is truly a bridal call to "prepare the way." May it strengthen and encourage all involved.

Focus scriptures:

Amos 9:11 "On that day I will raise up the tabernacle of David, which has fallen down, and repair its damages; I will raise up its ruins, and rebuild it as in the days of old."

Nehemiah 4:19-20 "The work is great and extensive, and we are separated far from one another on the wall. Wherever you hear the sound of the trumpet, rally to us there. Our God will fight for us."

Core Values:

- **Combine** corporate worship and prayer with purposeful intention of coming into the Presence of God with ultimate goal of 24/7 worship. Amos 9:11, Mt. 22:37
- **Connect** house of prayer through relationships. Mt. 22:39-40
- **Create** a culture of honor through a lifestyle of blessing. Phil 2:3, Romans 12:10
- **Collaborate** and partner with local churches and key ministries to advance His kingdom. Heb 10:24-25
- **Commit** to honor Israel and Isaiah 19 vision. Gen 12:3, Is. 19:23-25
