TFW Poverty Challenge and Million Village Challenge UPDATE

Greetings friends and colleagues!

The Servant Facilitator Meeting concluded in Hawaii a few weeks ago and we were so thrilled with the results!

1. Now over 75% of the 1040 Window countries have collaborating partners who have embraced the Million Village Challenge!
2. 90% of the 1040 Window countries have community-based training and models developing. Our goals are to engage the unengaged countries in the next year!
3. The TFW POVERTY CHALLENGE has added the URBAN POVERTY FOCUS, with the servant leadership of the SERVE THE CITY movement which is already in over 100 major cities of the world, creating self-sustaining movements and networks for solving urban poverty!

We praise the Lord for the GATHERING WAVE of what He is doing in bringing help and hope to the poorest of the poor in the context of getting also the remaining unengaged tribes of the world!
