#### NEWS BRIEFS

##### **MILLION VILLAGE VISION - secular presentation of the Million Village Challenge**

It will be presented to over 100 delegates from more than 25 countries in Geneva, Switzerland at the annual Geneva Institute for Leadership and Public Policy (GILPP). Most of the delegates are policy-makers from the 1040 Window. UNITAR is the co-sponsor this year with Global Hope Network International!

##### **GLOBAL CHE NETWORK (GCN) REPRESENTATIVE COUNCIL**

This is a global network of over 700 organizations doing community-based village transformation. They have adopted the MILLION VILLAGE CHALLENGE as an initiative!!! Terry Dalrymple, CEO and Co-Facilitator of TFW/MVC led the effort. Great response!

##### **CHAD**

Chad wants TCD training! David Bogosian of Christian Aid spoke to the leaders there and about 100 of them want to attend the training!!! Therefore, we are developing a TCD model village in the first quarter of next year when the training will take place.

##### **KENYA**

We are helping the Luhya Tribe with TCD and have a good response. We have to first rehabilitate the minds of our people...instead of giving the person vegetables, we will teach them now to plant their own vegetables!

##### **TAJIKISTAN**

**OPENS TWO UNENGAGED UNREACHED (UUPG) PEOPLE GROUPS!!!!**

These two groups (the Domari and Yagnob) are considered UUPGs according to the Joshua Project,

with no known Believers – until now. Also we are graduating TWO villages this summer, since they have become self-sustainable in ALL FIVE areas of Transformational Community Development (TCD). And we are starting THREE NEW villages!!!!

## **EGYPT**

Despite bombings, TCD expanded into 2 villages in the very region where some bombs killed many Christians in a church!! News is that thousands of new believers are rising up!

## **PAKISTAN**

### **NEW VILLAGE AND NEW UUP GROUP!!**

We have taken a new initiative for a new model village in the coming month. This is a least-reached group.
