NEWS BRIEFS

SOUTHERN AFRICA

Dayo writes that there are new English-speaking villages adopted!

We had a mini conference 23 July with the Anglican communion where I presented MVC. 13 communities were adopted by over 40 people that attended in Ondo and Edo states. I pray to be able to see the center some day! The Lord has blessed us with a transformation center in Tema, Ghana. We will formally receive it 10 August.

TCD/CHE TOT TRAINING CENTER AND DEMONSTRATION FARM PROGRESS!

Volunteers are coming from many places to spend a few days helping renovate the housing for the global friends we hope will visit. A number of local churches have sent teams to help with painting, construction, and yard work. We hope to have the demonstration models of farming God's way, Echo models, pit latrines, etc under way in a few months! Hal Jones

MYANMAR

INTEREST IN CDE FROM MRO PEOPLE

We were able to set up Mro Youth Development Association (MYDA) consisting of youth from the nearby Mro villages.

NEPAL

CLUSTER EFFECT

GHNI is teaching the women lessons about Slavery Prevention, health and hygiene, and avoiding child marriage. The old ways of thinking are changing. The people in the cluster villages are asking us to come to their village and teach them. "Please give us a toilet for our village."

INDONESIA

SUCCESSFUL YOUTH IN TCD SHARE LESSONS ON A NATIONAL LEVEL

Last month, the TCD Sendana team was invited to a national youth cocoa farmer workshop in one of Indonesia's major cities. Bayu was a selected speaker at the event, sharing about his experience and being part of a question and answer panel. Accompanied by the TCD team, Bayu spent three nights in the city, mingled with other young Indonesian farmers, and entertained the workshop audience with his humble sincerity and quick wit. This was an experience he will never forget and the TCD team is incredibly proud to see this young Sendana farmer become a source of inspiration on the national level.

ARMENIA/SYRIA

House of Esther is now training refugees in TCD to take back to their villages! TOT is being conducted amongst Syrian refugees in Spitak, Armenia in August. We hope to use the refugee center as a model to have a launching pad for the Million Village Challenge!
