TFW Poverty Challenge and Million Village Challenge UPDATE

GREETINGS FROM ECUADOR, SITE OF THE ANNUAL TRANSFORM WORLD LEADERSHIP SUMMIT!

We are having an amazing time in a city that has been transformed from a dangerous slum to a wonderful modern and safe key city. Wow. What can happen in a few years when a man lights the original candle! The Poverty Challenge was very well attended and we look forward to meeting again and having you join us 6-9 November 2018 in Addis Ababa. We pray our Africa meeting will be our largest one ever!

Please keep sending in updates from your area! president@ghni.org

**GUATEMALA**

**CASE STUDY STUNS POVERTY CHALLENGE**

Growth and transformation from 1 to 100 villages!! Transformation in all areas, job creation, health, kingdom growth. Wow!!

**AMAZON**

**MIRACLE FIND!**

Recently discovered and reported by Terry Dalrymple: The 100 plus tribes that now have churches are planning to reach out to the remaining 100 plus unreached unengaged tribes in the Amazon. We are hoping CHE will be a key strategy for them and offering training!!

**VIETNAM**

**VISIT FINDS ALARMING GROWTH OF CHE AMONGST HMONG TRIBE!!**

A visitor with the tribe found many many villages were practicing CHE/TCD. Natural growth and cluster expansion!!!

**NEPAL**

The farmers of JT Village are also the guardians of the Khadwalkot Primary School and have started sharing their knowledge about TCD to other cluster villagers. Talking with the village leaders, they are positive. We are planning to go there in the next quarter. CLUSTER IMPACT!!

**JAPAN**

**OPENING DOORS FOR URBAN WORK WITH *SERVE THE CITY!***

A recent assessment trip to the 2 poorest prefectures in Japan confirmed why the UN says 1 child in 7 is malnourished. This is alarming. Serve the City and GHNI discovered interest in Urban solutions this

past quarter! Several Vision Seminars are planned for early next year. So sad that 90% plus villages have no church! Please pray.

**KENYA**

**HOSTS TCD VISION SEMINAR AND EXPANDS MODEL DEVELOPMENT IN THE HORN OF AFRICA AND BEYOND!**

A full TCD was conducted in early October with trainees coming from Kenya, Ivory Coast, Ethiopia, Djibouti, Tanzania, Uganda, and other parts of Kenya. 28 Participants in all!

**EGYPT**

**TCD HIGHLIGHTED ON EGYPTIAN TV!!**

Aswan TV visits the village and meets with community members to talk about community development projects. After these project reports are shown on TV, a government official will visit the village to learn more about how the government can help transform the community through CHE.
