## **TFW Poverty Challenge and Million Village Challenge UPDATE**

Terry Dalrymple is traveling to meet the President of an African country and discuss MVV! (Million Village Vision) Please pray for this key appointment!

We look forward to updates from your area! [president@ghni.org](mailto:president@ghni.org)

~~~~~

### **NEWS BRIEFS**

#### **CHAD**

Historic meeting for Unity has just completed with love, forgiveness, and unity in the Evangelical movement. They are focusing on the FINISHING THE TASK focus of getting to all the Unengaged People Groups (UUPG's). This is so exciting. Pray for key leaders of MVC that are heading there in a few months to engage the church for TCD (Transformational Community Development) and CHE (Community Health Evangelism) to reach out with love to the UUPGs with love and good news.

#### **FINISHING THE TASK**

Conference saw hundreds of UUPG's adopted! What a thrill to be at Saddleback Church in California to see so many of the 500+ attendees step up to adopt many of the remaining 1,327 unengaged tribes. THE HALL WAS FILLED WITH PRAISE as we saw that more than half of the remaining Indian tribes and all of the Chinese UUPG's were adopted, mostly by nationals!!!!

#### **SADDLEBACK CHURCH**

Their Missions Leader committed to join MVC consultations in Africa and South Asia and to offer Health Church Coaching to participating churches!! Wow. Praise the Lord.

#### **MAURITANIA**

##### **VISION SEMINAR COMMENT!**

The concept of "teach a man to fish, rather than give him fish" is a reality. This talk has properly underscored it and given me a better understanding. We have just concluded meetings with church leaders in Mauritania. Then we switched to another meeting with those running NGO's and those using it as a platform to contact people and spread the good news.

#### **ETHIOPIA**

Completely transformed village graduated with joy and visible transformation! Jeff Latsa points to profound visible change in key transformation areas of food security, education, micro business, wellness, and water. Cluster effect taking place!

#### **NEPAL**

##### **SCHOOL BASED CDE EXPANDING TO THE CLUSTER**

As we plan to expand our work in this village, we are visiting other villages in the cluster, talking with the people, and visiting a new school. They are also interested in learning Transformational Community Development (TCD), so we plan to give TCD training to the leader of that village.

## **MYANMAR**

### **RAKHINE STATE MODEL**

Now using local villagers to help spread training into the cluster!!!! In spite of all the insecurity!!

## **SYRIA**

### **SYRIAN REFUGEES RETURNING TO THEIR VILLAGES WITH A MIND FOR DEVELOPMENT!!!!**

On 29 August 2017, the Lebanese army, along with other Lebanese government leaders, declared that the invading violent group was now gone. Some of them fled, died, or surrendered after they failed in a seven-day battle against the Lebanese army. Now begins the time for Syrian refugees to return to their hometown. After numerous lessons and many awareness programs, many expressed how blessed they were and how their mind-set has changed.

## **KENYA**

### **CLUSTER EXPANSION FROM 1 TO 57 VILLAGES!**

#### **57 CHURCHES PLANTED BY MBB'S!! (Muslim Background Believer)**

Less than 10 years ago a CHE work was started amongst the Borana, who in Kenya were 100% Muslim with no churches in Kenya. The trainers started in 1 village, Gambella, that saw amazing growth and a church of more than 100 planted. Now via cluster expansion 57 villages are transforming and each have a pastor of Muslim background. Wow!

## **JORDAN**

### **CLUSTER EXPANSION FROM 1 TO 22 VILLAGES!!**

Great interest generated by the House of Esther TCD center. Also in Northern Jordan a breakthrough came with some real conversions and now there is planned expansion from into the cluster!

## **WEST BANK**

From the "10<sup>th</sup> Leper Village", we have seen some amazing transformation. Now there is a cluster effect into 20 villages!! 90%+ Muslim. Now Christmas parties are planned!!!

## **INDIA**

Kharibari, India now has become a model. Village leaders in the cluster are taking the TCD training!!

## **SERVE THE CITY**

### **URBAN POVERTY SOLUTIONS GROWING FROM SERVE THE CITY TRAINING IN BERLIN!**

STC Berlin hosted this year's International Forum (IF) on 26-29 October, and it was our biggest Forum yet. While many of the STC cities across the world meet regionally and nationally together, the IF each year is the premier gathering of people in our movement world-wide. IF17 Berlin saw around 95 people gather from across the STCi movement, including many EU countries, Nepal, Mexico, and USA. Those attending the IF are either actively involved in leading their STC volunteer-movement or interested/starting an expression of STC in their local city. GENEVA REPORTS MORE THAN 1,500 VOLUNTEERS ON THEIR LIST!!!

## **ARMENIA**

House of Esther is now gearing up to be a Model Training Center for all of Central Asia, starting next spring!!

## **IVORY COAST!**

We have just concluded a TCD 1 - training practitioners at Doko village and Sikansi town in Côte D'Ivoire 30 October 30 to 4 November. We had 58 leaders from four countries of Togo, Benin, Côte D'Ivoire and Nigeria. It was a blast. We pray that many adopted communities will begin to see transformation and move out of poverty.

## **AFRICANS IN EUROPE!!!**

We had a very well received vision seminar with 25 pastors leading African churches in Amsterdam last month. Training for 4 churches will start the first week of January. Later on, churches will be trained to do NT in Amsterdam and be involved with TCD in their African countries of origin. In February/March

we will visit again Southern Africa for 2 TCD TOT's (Training of Trainers), 6 vision seminars and follow up visits.

## JAPAN

1 child in 6 is malnourished. Hal visited there and we have vision seminars set up in Aomori and Okinawa in March. Let us know if you are interested!

Serving alongside you to see the Great Commission come true! Merry CHRIST-mas!
