NEWS BRIEFS

CÔTE D'IVOIRE

May the Grace of God be with you. We held an MVC Training in Abidjan late last year. Wonderful news, 26 missionaries came for the full TOT (Training of Trainers)! This year, we will have another MVC Conference in the center of Côte d'Ivoire (Bouaké) from 14-16 November 2018.

EGYPT

CATALYTIC EXPANSION IN UPPER EGYPT

Many young people are unemployed in the Upper Egypt villages. Majid is a young man who worked in quarries and lost his right eye after suffering an accident. The Transformational Community Development (TCD) leader in the village of Shosha helped Majid by giving him a small loan to start a project in his home that would limit his exposure to dust and sand. Majid bought rabbits and started raising them to sell and pay for his family's needs.

INDIA

MODEL VILLAGE IN JHARKHAND, INDIA IS CATALYTIC TO OTHER VILLAGES!

Last month we did another training on mushroom cultivation in Chalsa Village after Khairbari Village, where ten participants from different tea gardens, like Dangee, Soongachi, Bhagatpur, and Grassmore, participated. In the coming days, many of them are going to adopt this cultivation for their livelihood.

KENYA

ATTIR VILLAGE NOW TRANSFORMED AND CELEBRATING!

Mama Rose is one of the women who travelled this journey of transformation toward long term success. After many years of suffering, everyone is smiling because their hope has been CHANGED AND THEIR LIVES TRANSFORMED in Attir Village. TOT (Training of Trainers) taught lessons which helped open the villagers' eyes to change. Clean

water was a leading priority and one of the biggest challenges for the community. The GHNI-Kenya office helped form a committee which was tasked with developing a partnership program with government offices and organizations. A borehole was finally drilled and the suffering of the elderly and school children ceased. The community's lifestyle changed forever, and villagers are no longer having to walk for hours to find clean water. Women are now becoming entrepreneurs and men are great farmers, providing for their families and engaging in meaningful and productive activities.

CAMEROON

CLUSTER EXPANSION IN GUIDIGUIS VILLAGE

John and Joshua are our Transformational Community Development (TCD) workers in Cameroon who have been working in Danfegue Village and talking to the locals about TCD and the need for transformation in the five major focuses of TCD. The locals have identified water, wellness, and education as their greatest needs.

MACEDONIA

VISION SEMINAR!

Recently we did a Vision Seminar in Macedonia together with Mariana from Serbia and Agron from Tirana. The participants were very enthusiastic and open to the idea of CHE. We are planning a follow-up TOTI, MONTENEGRO VISION SEMINAR!! Marijana is flying to Podgorica, Montenegro to facilitate a CHE Vision Seminar to Church leaders and pastors, with the help of Agron from Albania and Dianne from Slovakia.

JAPAN

JAPAN VISION SEMINARS! 22-30 MARCH

God has brought a great team from Serve the City, Indonesia, New Zealand, Hawaii, and Prague to present vision meetings for MVC in Northern Japan and Okinawa. There has been lots of spiritual warfare and we request you to pray for doors to open and for the Lord to raise up harvesters for the poor. 1 child in 6 in Japan is malnourished and yet so few evangelicals know about it or are taking action. Please pray! Hal Jones

NEW MOVIE - "POVERTY, INC"

A MOVIE HELPING THE MVC MOVEMENT, COMMENT FROM PASTOR IN HAWAII

<https://www.povertyinc.org/>

The principles in the film are right in line with "when helping hurts," "the poverty of nations" (Wayne gGudem), the Bible, and reality. I think that the producer is some kind of Bible-believer, though it doesn't come up in the movie.
