

Transform **WORLD** 2020

*Harnessing the resources of the seven spheres in Africa and beyond to transform Africa and beyond
to the glory of our Lord Jesus Christ and in so doing, fulfil His Great Commission*

21 May 2018

Dear Servant of the Most High God,

Warm Greetings in His name!

We are grateful for the prayerful response to the Transform World 2020 Vision and look to the Lord Jesus Christ to continue to lead and guide as the affirmed CEO of TW 2020 as a result of TW 2020 Summit I in Bali in 2012 and TW 2020 Kansas City prayer gathering and Summit II in 2013. They were followed by Summit III in Geneva and Macon in 2014, Summit IV in Bangkok in 2015, Summit V in Seoul in 2016, and Summit VI in Ecuador in 2017. It therefore is with the hope and prayer that we would like to invite you to the **Transform World Global Leadership Summit VII** to be held at the beautiful Oromia Cultural Centre, Addis Ababa, Ethiopia from November 6th afternoon to 9th noon, 2018. You are advised to arrive on November 6th morning or around noon time and depart on the afternoon of November 9th. We will start our program at 5:00 pm at the Oromia Cultural Center.

A Historical Place for a Historical Moment

Transform World Vision 2020 appeals to the Church to consider seven pressing issues of our time. It is a plea to servant leaders to engage in a Christ honoring response to the great challenges of our time. We come together to seek His face for united strategic action glorifying Him in every nation via every major sphere of cultural influence in every region of the world. Transformation is a journey that three generations must respond to through faith and prayer. Informed cohesive prayerful action with qualified global representation leads to a sustained global movement resulting in transformation. We believe **God has called you to be a part of this global transformation movement** and hence this personal invitation to you for the **Transform World Global Leadership Summit 2018**. To build a fruitful movement of transformation we need to continue to grow deeper in understanding of God's purposes, in our love for each other and our demonstration of unity.

Objectives of the Leadership Summit

We have identified five critical objectives that we will be seeking to address in our time together in Addis Ababa: - worship, prayer, challenge response, sphere response, and regional engagement.

Worship: We want to prevail in that posture receiving also reports from each region, sphere, and challenge and leadership team members to the whole body for keeping our vision fresh as we hear what the Lord is doing.

Prayer for the Transformation of Africa and beyond: We will make time to bless the continent of Africa, the Continent that has so much potential for it to be the salt and light of the rest of the world.

Challenge Response: Ideological/Islam, Family, Orphan, Poverty, Justice, Christ's Missional & Celebration) so that we can expand the global efforts by sharing vision, best practices, strategic resources, and planning for real impact globally by 2020.

Sphere Engagement: Having a better understanding of our progress of love and work into the challenges we then want to focus on the Spheres (Arts, Business, Church, Delivery through Media, Education, Family & Government) where we can have global networking, momentum building, strategic planning and brainstorming to ensure that each sphere is gathering momentum for global transformational impact by 2020.

Regional TW2020 Initiatives: Based on our understanding of the needs and efforts in the Challenges, and the resources and leadership for broadening influence into every Sphere we will move to Regional Planning.

In addition, three generational collaboration emphasizing Gen Y and 4/14 Window.

An early bird participant cost for the conference other than international travel will be USD300 per person for a twin-room sharing at **Saro Maria Hotel** (<http://saromariahotel.com/rooms/twin-room/>) or another for late registration at a few kilo meters away from the venue, the Oromia Cultural Center (website information to be notified later), with consideration for scholarships, except the countries listed in http://en.wikipedia.org/wiki/The_World_Factbook_list_of_developed_countries.
