**BRAZIL**

Brazil has 100 remaining unengaged unreached groups. No one is allowed to visit these tribes but other tribal groups. Now THE INDIGENEOUS NATIONAL TRIBAL CHURCHES ARE ADOPTING ALL 100 TO FINISH THE GREAT COMMISSION! They are VERY interested in COMMUNITY BASED TRANSFORMATION!

**BURKINA FASO**

MVC EXPANDS TO UNREACHED PEOPLE GROUP

We are reaching the Moosi Tribe in the KB Village, Burkina Faso. Pray for high impact! Many are open!

**CAMEROON**

ALREADY EXPERIENCING CLUSTER EFFECT AMONGST TRIBES

People tribes in Ngassa Village are Moudang, Toupouri, and Foulani Foulbe. There is a cluster effect in Danfegue Village where a Water Committee has been formed for the village and has gone into action on how to combat their water challenge.

## **EGYPT**

### **EGYPTIAN TRAINERS CONDUCT TCD TRAINING FOR SOMALI REFUGEE**

Training of Trainers (TOT) for Sudanese -- More than three million Sudanese live in Egypt and most of them are waiting for a chance to travel to the USA, Canada, or Australia. We started a partnership with an organization in Cairo and trained twenty Sudanese leaders. It was a great time! We also held a community development course with sixteen students.

## **FRANCE**

### **NEIGHBOURHOODS ARE ADOPTED FOR TRANSFORMATION**

At the beginning of April there was an URBAN TCD held in the south (Montpellier region). We had an excellent TCD training. 21 participants from 7 cities committed to reach their neighbourhoods.

Training is also being made available in Geneva area 2-3 June (only in French language). See schedule below under MVC Consultations for more information!

~ Ms. Martine Fritsch

## **INDIA**

### **HAS ONE MOVEMENT OF 20 MILLION IN HOUSE CHURCHES**

Now the top leaders are seeking to integrate CHE into the movement!

## **JORDAN**

### **HISTORIC ARAB WORLD MVC CONSULTATION**

Planned for this year. It will be close to a Northern Jordanian village that is transforming. Planned for 21-22 September, we are hoping for delegates from all over the Middle East.

For more information, contact Mr. Jamal HASHWEH via Ms. Noor SA'AD at [noor.saadghni@gmail.com](mailto:noor.saadghni@gmail.com)

## **KENYA**

### **EMPOWERMENT CENTER IN THE NORTH OPENS TCD DOORS INTO TOUGH TRIBES**

We managed to recruit students from Meru, Turkana, Borana, and Somali, which are the dominant communities in the area of Isiolo. Our previous group graduated in November with distinction and they have all received soft loans to jumpstart their livelihood.

## **LAOS**

11 villages being prepared for CHE!

## **NEPAL**

### **JT VILLAGE EXPANDS TO CLUSTER**

Supporting parents for income generation and helping their children go to school. We have built relationships with teachers. It has been very helpful to poor children. Parents' and children's attitudes toward school are positive. Other new schools in the cluster village and community health post want to partner.

## **NIGERIA**

Village goes from being 97% Muslim to 83% Christian thru CHE!

Total transformation!

~ Brother Dayo

Another village sees exploding clusters to 100 km away! The impact of Ahumbe has gone way beyond its cluster villages to 100 kilometers (nearly 62 miles) away and farther.

~ Sister Shade

All this good news is in the context of major persecution. Last week 300 Christians were killed in Nigeria.

**PAKISTAN**

Local leaders see a possible cluster model developing in the Punjab!

**ROMA**

ARE THE LARGEST UNREACHED TRIBE IN EUROPE: 13 MILLION

This is more than the populations of Hungary, Switzerland, etc. A growing wave of outreach via CHE is making inroads in over 10 areas of Central Europe!

~ *Mr. Ron Seck*

**SOUTH EAST ASIA**

Has a few countries that were helped by CHE, but much of the work is now gone because the Trainers were dependent on western funds and walked away when it finished. Pray the Lord will raise up Champions who will not quit when we engage them for Transformation!

**TAJKISTAN**

CLUSTER EFFECT ADDS NEW VILLAGE

Beshkent village has joined two others in the cluster for transformation, working even in winter! Yagnob/Esanbay Villages, Tajikistan

**TOGO**

CLUSTER EFFECT HAPPENED QUICKLY

The people of Blamonga and Tanloaga in Northern Togo are of the Gourmantches people group. The influence of TCD in these two villages has now spread to Banagande, where the Trainer teaches school children TCD principles.

**WORLD CHALLENGE**

MISSIONS ARM OF TEEN CHALLENGE announced it is switching to the CHE strategy for their global outreach!

**ZAMBIA**

FACING NATIONAL TRANSFORMATION

Now, after 20 years of faithful work by Brother Zulu, Zambia has several hundred thousand villagers being impacted by CHE in well over 10,000 villages. 800+ Muslims and 250+ Hindus have become believers! 200+ schools are engaged in CHE! A Million Village Challenge Consultation is planned for the 3<sup>rd</sup> week of February 2019. Delegates will be invited from many countries in the area. See below for more information.
