Philippines Transformation Network growing.

Mark Beliles was able to be with the Philippines director of GTN BG Hernandez and his wife Jhoey (below upper left). Great seminars were held in several places and Beliles also spoke to the Asian FGBMFI conference (upper right). More books and materials are available there now to equip leaders. Bishop Manny Carlos is also a great helper of GTN there and below was recently with the World Boxing Champion and now Senator Manny Pacquiao who is studying our books. Likewise with the Chief Justice of the Supreme Court there who Beliles spoke with. See all pics below.

Ecuador Network Making Big Plans

Dr. Beliles was in Ecuador twice this year and is going back soon. On his most recent trip he spoke to the Guayaquil Small Business Chamber led by Eugenio (see pic below at right) and is helping them in a strategic plan. Beliles also received an award from the Mayor and is now working on a major strategy to reach young leaders. In August the GTN network there known as Red Uno is organizing major gatherings for young professionals that potentially can change the nation in time. Beliles and an multi-national team of political, business and pastoral leaders will speaking there in coming months. These include Senator Rodriguez of Colombia, Dennis Peacocke and Marc Nuttle of USA, etc. The network leaders there: Juan Carlos and his wife along with Raquel, Adrian and other young leaders, are doing incredible things. See pics below (at left is the team meeting with the Mayor, and below that is me with many pastors and mayor's staff).

OUR VISION

GTN President Dr. Mark Beliles emphasizes that the historic church worked together on long-term strategic initiatives to disciple their nations. They effectively changed the world. Today leaders are again networking raise up trained leaders to transform politics, business, education, medicine, media, church and family. The goal of the Global Transformation Network is to have these active leadership teams operating in all regions of the world and hundreds of cities. Contact us to find out more about starting or joining a strategic team in your area! Besides Dr. Beliles, there are regional leaders in place around the world who are ready and can serve you in your region (often in your own language).
