NEWS BRIEFS

MVC (MILLION VILLAGE CHALLENGE)
PRESENTED TO REPRESENTATIVES OF 30 COUNTRIES AT UN BY TERRY DALRYMPLE!!

Global CHE Network Facilitator Terry Dalrymple made a 90-minute presentation on the core values of CHE and the Million Village Vision (MVV is the "public" equivalent of MVC – MVC is the Christian version) to delegates from 30 countries at the annual Geneva Institute for Leadership and Public Policy (GILPP). A leading UN official followed up with congratulations that we are taking this much-needed grass-roots effort with so many partners.

MADAGASCAR

THOUSANDS OF LIVES HELPED THROUGH CHE. WOW!!!!

An Integral Community Health ministry has become a real bulwark in the villages fighting against plague and sickness. Applying CHE principles and values, this ministry was launched by NGO Mercy Ministries 12 years ago. It has impacted around 250,000 villagers in approximately 150 villages – individuals who previously had no access at all to any kind of health education or primary health care (the nearest hospital is typically two or three days' walking distance away). Malaria has seriously decreased, while simultaneously creating a defense against the spread of other diseases. Not even one person was hit by plague in all these villages! One realizes how precious it is to "dwell in the shelter of the Most High" (Psalm 91:1). The President promised his full administrative support, so that this model of the Integral Community Health program can be developed in other regions of Madagascar and be fully part of the national health policy.

MYANMAR

MYANMAR CLUSTER EXPANSION IN THE MIDST OF TURMOIL

TCD committee from M H have held two short vision seminars in neighboring communities, with a third requesting a seminar. At least one has already completed a successful seed project (building a fence to protect their water supply). Next month they are planning a full TCD training for 20 Church Planting guys.

SOUTH OF KOLKATA

STEPPING OUT IN FAITH 3 HOURS SOUTH OF KOLKATA

The new village potential in India, some 3 hours south Kolkata (Binodpur Village), is a remarkable village potential, that Sushil took me to last month. It has only one Christian, and 3 young men eager to start TCD there, under Sushil's direction and Church Planting initiatives. Great location and team!

SRI LANKA

SRI LANKA CLUSTER EFFECT TCD, having shown this by a graduating village, and now adding two more.

KENYA

KENYA EXPANSION

The Borana and Turkana have been at odds for generations. TCD work has been going on in Borana for 10 years. Now God has opened a door and a Turkana village has invited TCD in!! Praise the Lord!
