TFW Poverty Challenge and Million Village Challenge NEWSLETTER  
Mr. Hal JONES [president@ghni.org](mailto:president@ghni.org)

**THIS WILL BE ONE OF THE MOST IMPORTANT MVC NEWSLETTERS FOR YOU THIS YEAR!**

~~~~~  
**1. HISTORIC MOMENT AND AMAZING EXPANSION OF PARTNERS AND IMPACT!**

As you know, the world is being shaken. The Lord is sending signals something is really happening. His love is being shared in every country. Steve Douglass of CRU just spoke to leaders in Europe and pointed out the following historical points going on in the body of Christ.

- 2.5 million churches planted in 8 years
- Scripture being translated – in 15 years every language will have enough of the Bible to understand the gospel
- Of all the remaining Unengaged Unreached Tribes (1,000++), we expect that in the next 3-5 years, all will be engaged
- 43 million decisions for Christ through the Jesus film in 2017
- Huge momentum for collaboration and partnership
- Opposition is accelerating against believers in so many places
- HIS CHALLENGE: “Let us work now. Now is the time!!”

CRU, JESUS FILM, MEGA VOICE, GOSPEL RECORDINGS, THE ORALITY PROJECT, DMM and others are now engaged in partnering with the MVC organizations that are doing holistic work amongst the rural poor villages, where 98% of the unengaged tribes work!

~~~~~  
**2. CLARIFYING WHAT THE MVC IS AND WHAT IT IS TRACKING**

In an attempt to gather information on the spread of CHE/TCD/CDE etc, we see that we can verify at least 148 countries of the world, and about 95% of the unreached countries in the 10/40 Window have a holistic village transformation effort going on. I actually expect it is more. We also have invitations from partners in 10 countries to start MVC there!!

We are amazed at the momentum of the Lord’s movement amongst the rural unreached these days. So we wanted to REVIEW SOME KEY TERMS OF WHAT WE ARE ABOUT!!

- **THE GATHERING WAVE** – this is the movement of the Lord in so many corners of the world amongst the rural unreached. Through partnerships, collaboration, and humble service the Lord is creating a wave of momentum towards the Great Commission amongst His people.
- **THE MILLION VILLAGE CHALLENGE** – This is a Vision not an organization. It is a Vision of reaching with CDE, CHE, TCD, and other holistic ministries to the remaining million unreached villages and tribes.

- **THE CHALLENGE** – This was initiated by the huge movement of Transform World and the Poverty Challenge within it, under the servant facilitation of Mr. Terry Dalrymple and Mr. Hal Jones. The Challenge is for the body of Christ, the evangelical movement, and those working amongst the poor, that they might let down the barriers and prejudices in order to collaborate in the efforts of reaching the Million Villages. We are so thrilled to see the Jesus Film, DMM, Megavoice, Gospel Recordings, and CP movements join hands with holistic ministries that are Great Commission oriented. This is such a joy to see John 17 come into reality. THE CHALLENGE IS NOT A PROGRAM, but a catalytic response to the amazing momentum of the Gathering Wave.
- **TRACKING** – What are we tracking? Our goal is 10,000 villages engaged in holistic community development by 2020. That would mean 10,000 clusters being impacted. If there is an average of 10 villages per cluster that means up to 100,000 would be impacted and that is the 10% sociological tipping point at which we hope will impact the Million Village Challenge goal.

**PLEASE PLACE YOUR ROCK ON THE EBENEZER OF THE GREAT COMMISSION!**

We are praying for 10,000 villages by 2020 that would become catalysts for their cluster so that our Tipping Point of 100,000 villages (10,000 clusters) will be reached and trigger massive acceptance and expansion of holistic village transformation.

BY 25 SEPTEMBER (10 DAYS), CAN YOU PLEASE SEND ME THE FOLLOWING:

1. Name of countries you are doing CHE/TCD/CDE in
2. Number of villages you are impacting
3. Percent (%) of states of that country you are involved in (or number of states if percent % is unknown)

Maybe like me, you have work in Afghanistan. Your list would look like this example:

EXAMPLE:

1. Afghanistan [NAME OF COUNTRY]
2. 20 villages [NUMBER OF VILLAGES]
3. 20% of the states (6 provinces) [PERCENT % OR NUMBER OF STATES/PROVINCES]

It will be such a joy as we begin to see what the Lord is doing in more depth. We will not publicize your name. It will all be listed as part of the Transform World measurement.

MANY OF THE SERVANT FACILITATORS HAVE ALREADY SENT THEIRS IN, and now is the time we seek your valued input!!

**PLEASE SEND IT TO ME, HAL, AT [president@ghni.org](mailto:president@ghni.org)**

Thank you! This is so important and exciting. Let's keep praying for those 10,000 villages. Momentum is building.

#### 4. NEWS BRIEFS

#### EXPANSION OF MVC STORIES FROM AROUND THE WORLD

##### WEST AFRICA

We have just concluded our Port Novo, Benin Republic, and Dakar Senegal conferences plus MVC Vision Casting and TCD Training. A total of 62 partners indicated willingness to adopt a UUPG in Africa!

##### ALBANIA

###### EXPANSION – NEW WOMENS MEETING

Tomorrow we are going to be starting a new women's meeting in a neighboring village.

##### EGYPT

###### EXPANSION IN AL ADAIMA

The village of Esna-Luxor is one of the poorest villages. We will be starting a 3-day Training of Teachers Course One (TOT-1) in Esna-Luxor with 20 participants. They have a vision to reach their community. We visited Adendan in Nubia and had a good meeting with the training team and committee. We spent our time planning and sharing information about our home visits. The committee divided the village into six areas and chose volunteers from each area.

##### GREECE

###### TCD/CHE ATHENS KURDS COMMUNITY

A new TCD/CHE partnership has begun in Athens!

##### ARMENIA

###### MVC HOUSE OF ESTHER

The House of Esther, a CHE/TCD training center for the Stans and Central Europe held its first conference last month and is getting in gear for bringing delegates from all over North Central Asia and Central Europe for TOT 1, TOT 2, expanded. We plan our 1<sup>st</sup> international conference in May 2019.

##### SOUTH AFRICA

In this township of Mphumalanga, babies are raped to get healed from AIDS and sexual abuse is so common that almost every woman deals with it at one or another time in her life. Drug abuse is almost impossible to deal with because some high ranking police officers are part of the dealing networks. But after a wholistic TCD training, a team decides that they still can do something ... They have started an "Ever Green Garden" on the garbage dump area to create jobs and food. They also look weekly after the drug addicts and embrace them with God's love.

##### NETHERLANDS

###### IN AMSTERDAM, AFRICAN CHURCHES STARTING CDE!

After TOT training for pilot cities, it was a great joy to hear their stories during our first follow-up meeting. Some pastors immediately involved their whole church in the process. During the pre-assessments, a much heard self-discovery was, "In fact we are doing almost nothing, not personally and not as a church..." And during the practical personal outreaches to their neighbors, instead of seeing the "expected closed doors" or "no interest", most of the time they were received with open arms and heard,

"Please come in." There is great joy and testimonies in these African churches. They form in the beginning from Africans bringing the gospel back to Europe by reaching out and embracing the people with God's love.

**BANGLADESH**

**CLUSTER EXPANSION**

Within the village cluster, another local village TCD committee became very strong and they started taking ownership of TCD. They are able to apply the teachings of TCD. For example, they are spreading awareness to all neighbors that they can drink clean water, to take their pregnant women to the local hospital, encouraging children to regularly attend school, and protesting early marriage.

**INDIA**

**PARTNERS HOPE TO TRANSITION FROM RELIEF TO DEVELOPMENT AFTER FLOODS!**

In the states of Kerala and West Bengal, funds will be used for food, clean water, and basic medical care. CDE work is going on in West Bengal, and we hope to also help villages in Kerala transition into TCD after our initial relief efforts.

**JORDAN**

**REFUGEES FROM IRAQ ARE HELPED WITH MICRO BUSINESS DEVELOPMENT**

Mahdi's wife is a good cook. She made a yummy Iraqi meal called "Topsy" for some of our friends and volunteers. Others are now engaging her to cook meals for events in Jordan!

**NEPAL**

A village cluster seeks CHE/TCD training and help from human trafficking. Through the help of national partners, we will be reaching out to 6 villages via a primary school, located in Godavari Village.

**NIGERIA**

**CLUSTER EXPANSION**

Ahumbe is made up of nine cluster villages, with approximately 10,000 in population. Work now expanding to whole cluster.

**TAJIKISTAN**

**NEW VILLAGES**

We have also decided to open in Yavan with our man of peace. We have started a Russian-language class for interested students. The village is very happy for us to do Transformational Community Development (TCD) there. The beginning stage is going very well.

**5. SPECIAL FEATURE: MAURITANIA MVC CONFERENCE**

With tears of joy in prayer, delegates from several West African countries, including Mauritania, adopt villages as part of the MVC. Praise the Lord for these champions!! Pray for them!!

We are facing lots of challenges to get TCD/CHE/CDE really starting amongst poor rural Gulf Arabs. The need is real. So we are praying about going on a 10-day Prayer Journey to call down the obstacles Satan has thrown up. We will be networking with believers in the area and praying in the rural areas.
