

GLOBAL FORUM
for a **WORLD WITHOUT ORPHANS**

24-27 OCTOBER, 2019

CHIANG MAI, THAILAND

CONTINUING ON THE **JOURNEY**

As you may already know, **the 2nd Global Forum for a World Without Orphans (WWO)** will take place on **24-27 October 2019**, in **Chiang Mai, Thailand**. It has been three years since our 1st global gathering and almost ten years since the WWO global collaboration began. God has done immeasurably more than we could have asked or imagined to change the world for many thousands of orphaned and vulnerable children and families, and we believe this is only the beginning!

As a global collaboration, *World Without Orphans* has a clear **vision: to see children thriving, families strong, and churches engaged**. Together, we aim to achieve that vision **by helping children remain in, be reunited with, or regain a healthy family, so that they can reach their God-given purpose**. At this 2nd Global Forum, **we will focus on the spiritual, relational, and practical aspects for HOW we can together best accomplish this aim**.

Achieving our dreams for children to be in permanent, loving families will require new collaborations between leaders in faith, government, and business. We are on an exciting and meaningful journey together, towards hope for children and families, with the help of God's Word, His Spirit, and wisdom.

This 2nd Global Forum will focus on three priorities to give strength, direction, and renewed passion for our journey:

- to **ACTIVATE** spiritual care for ourselves, each other, and those we serve
- to **CONNECT** with and support one another relationally
- to **EQUIP** ourselves practically in best practices for seeing children in safe and loving families

We highly value all who contribute to the WWO movement and hope you will consider being a part of the journey. More information regarding the location, program, and application to attend is available at www.worldwithoutorphans.org/forum.

Thanks for all you do for vulnerable children!
