## HAWAII CALLS

### TRANSFORMATIONAL COMMUNITY DEVELOPMENT (TCD) TRAINING

Hawaii Training Farm in Volcano Village, Hawaii

Quotes from former students:

"My whole approach to a new country our mission is entering  
has been changed."

"This is really going to help our Missions Program create  
effective sustainable churches and villages without creating  
dependency on funds we must come up with for decades."

"This TCD is the key to reaching the 140 villages in my area.  
We can start with one village, help it transform and see it spread  
to the other village clusters without our needing to fund  
new expansions!!"

Join us along with two famous missionaries from Africa this  
30 July to 4 August.

(another training will take place 20-25 August)

We have delegates coming from as far away as New Zealand and Europe!

17-22 August in Mali

19-23 August in Nairobi

26-30 August in Nairobi

See blow in MVC Consultations.

## NORTHERN NIGERIA

Champions of CHE/TCD/CDE who are working amongst Unengaged Unreached Tribes meet for reporting, sharing and prayer! God is making disciples and transforming villages!!

## GILPP

Terry Dalrymple, despite being in severe pain, spoke at the GENEVA INSTITUTE FOR LEADERSHIP AND PUBLIC POLICY (GILPP) to more than 90 delegates.

His subject: The Million Village Vision.

Some amazing results:

A government leader from **Latin America** wants to get trained and take CHE to Latin America!

A government leader from **Zimbabwe** wants to take TCD to all 140 villages in his district!

Delegate from China helps launch TCD into **Mongolia**!

## NEPAL

Our partners report how in the Western Area a model village has emerged into an expansion cluster!

## BANGLADESH

Reports now reveal after only a few years of TCD in the North that cluster expansion is already going on!

## VIETNAM

A recent TOT 1 in North Vietnam has resulted in many former drug addicts now preparing to take Transformation to their home villages via the rehab centers that have become so well accepted in their communities! Rehab center based CDE!

## TAJIKISTAN

Partner reports 2 new villages requesting TCD!

## CAMEROON

CDE Trainers need prayer as the security situation is now violent.

## **SOUTHERN AFRICA**

### **Life and Death in Wholistic TCD**

This week's reaction from Sarah from Malindza, Swaziland:  
"With the TCD program you gave life to me and my community"

Two weeks ago when starting a farming training in Emalahleni, South Africa where the TCD team together with the community created their gardens on a garbage heap, the morning started by finding a dumped little baby...  
Life and death so close together.

Therefore, it is so great that with the wholistic TCD program we can every time bring hope and life in desperate situations. And that is because He lives!

## **BENIN**

CHE/TCD/CDE teams report starting model village work in 11 of the 12 districts of Benin!

## **NORTHERN IRAQ**

### **Transitioning from Relief to Development**

Our TCD workers have made solid gains in TCD as well as continue to provide relief on a periodic basis. Without aid, the Yazidis suffer from lack of essential items such as proper nutrition, heating oil, hygiene and other items.  
They are hard workers, but it has been difficult to find work.  
We will continue to provide relief as well as TCD assistance.

## **NIGERIA**

### **Expanding Beyond the Cluster**

TCD trainings recently produced more champions of change in the communities. Undoubtedly, there is an influence from Ahumbe, even though the two new communities are farther away from the Ahumbe cluster.

## **ARMENIA**

### **Cluster Effect**

Two new villages are starting amongst poor women in a village near Spitak and a small village of very poor living in containers near our present model!

## **EGYPT**

### **Nubian Village Cluster Expansion**

The ladies of Adnan love Transformational Community Development (TCD) and are more open to learn. We were very happy that they invited us as a training team to share Nubian food together and talk about more projects which the committee can start in the community.

## **TOGO**

Recent training has produced CDE being established in 2 new unreached areas!

Working alongside you to see the great commission come true!

Much joy and Love,

Hal and Terry
