HAWAII CALLS

TRANSFORMATIONAL COMMUNITY DEVELOPMENT (TCD) TRAINING Hawaii Training Farm in Volcano Village, Hawaii

TCD/TOT1

Transformational Community Development/Training of Trainers 1.

TCD/TOT2 and TCD/TOT3

For those who have already been trained in TCD/TOT1, and have been involved in working in a village that is starting up and on its way, there is a second training available.

This will be very interactive and a real help for planning to see a model into reality AND on to catalytic influence in a cluster and a region.

Mrs. Francy OGLE, with many years of experience with the Global CHE Network Service Team will be leading this very valuable seminar. Wow!

NOTE NEW DATES (previously 7-10 January) Join us 7-11 January 2020

(Arrive morning 7 January. Depart morning **12 January**.)

NEWS BRIEFS

KOREA

We stood in the crosshairs of history (His story) at the demilitarized zone

We just finished a conference on Peace, Nation Building, and Development in South Korea, looking to the possible opening of the North. We finished with a Memorandum of Understanding that, among other commitments, established CHE/TCD/CDE as the model to use when entering the hundreds of poverty stricken villages when the doors open. Many saw this as a historic moment. We really sensed the hand of the Lord. Over 80 delegates attended from 14 different countries, co-sponsored by the Geneva Institute for Leadership and Public Policy (GILPP) and several local Associations and Universities.

One of the delegates summarized the sense of many when she said:

“We believe it was God's appointed time for us to be together and we pray that God will use GILPP as a mediator for the reconciliation and unification between South and North Korea.”

Mama Hana, CNN Woman of the Year

CENTRAL EUROPE

The Gathering Wave grows in Central Europe

- ~ The CHE Central Hungary team has been invited to start CHE in two communities near their model CHE Romani village project.
- ~ The CHE Serbia team recently had a short term team help build a CHE community center in the village of Donji Petrovci.
- ~ The CHE Bosnia team is now surveying new Romani villages near Tuzla.
- ~ The CHE Macedonia team has begun work in their first two communities and is also surveying two more in the central part of the country that appear open for ministry.
- ~ The CHE EuroNet Network will be holding their third annual gathering in Albania. Over 75 CHE leaders, teams and board members will be attending. We are growing. Praise the Lord!
- ~ Agron Aga, Ron and Jeannie Seck are teaching TOT1 to forty students at the Albania School of Leadership and Theology in Tirana this week.
Pray for these future church leaders of Albania!

EGYPT

Upper Regions

As we are using TCD in a 100% Muslim village in Nubian tribe, this weekend we had our first seminar about Marriage and Family in the Nubian village of Adendan which is considered one of the biggest percentage in divorces. 17 couples shared. We used biblical principles about marriage in a hidden way. Many of them shared that this seminar changed their concept of marriage. Next month we will have the next seminar.
Please pray for us because many couples want to join.

SOUTH KOREA

Serve the City: Urban Transformation

We now have a group of leaders in South Korea who are eager to develop volunteer projects to bring unity to the South Korean and North Korean defectors who are already in South Korea! Looking forward to powerful moments of developing these projects going forward!

TOKYO

Serve the City Tokyo is nearing to be launched. Please pray for the champions who have come forth for this!

ARABIAN GULF

Prayer Journey; Looking for Champions for the rural Bedouins

Hoping for a few CHE/TCD/CDE trained friends to come and pray over leaders and for the unengaged Arab rural tribes. 1-10 November.

We need a few more colleagues to join us!

AFRICA

New Champions for Africa come from South Korea Geneva Institute

Apostle Magezi Thomas Maphophe from South Africa and Gedion from Ethiopia are going home from the Geneva Institute for Leadership and Public Policy (GILPP) that was held in South Korea. They will share with their networks on adopting TCD to engage rural communities.

AFRICA

MVC Conference gets many new villages pledged

We praise God for the several leaders across thirteen countries trained in transformational and sustainable development across West Africa from Nigeria to Mauritania. Villages were adopted and engagements have begun. Over 122 communities in eleven countries like Mauritanie, Togo, Guinea Conakry, Guinea Bissau, Sierra Leone, The Gambia, Senegal, Bene, Mali, Côte D'Ivoire, and Burkina Faso.

ARMENIA

MVC Conference mobilizes dozens for the region

After a history vision seminar/training in May, early this fall, more than 2 dozen local pastors and leaders gathered for 2 days of concentrated training with 18 influencers completing the course. Several seed projects are planned to help open new communities, as well as this is designed to penetrate into unreached countries in the region.

TURKEY

Turkey has Roma who need Jesus

Recently a vision seminar was conducted in Roma communities in the ancient city of Smyrna. Like many places, you cannot enter without a person of peace and God has opened wide the doors to these underserved communities. The difficulties facing these communities are complex, involving drugs, financial, relational, and moral issues. The solution to these problems is the offered by the Great Physician and the Prince of Peace.

JAPAN, OKINAWA, RYUKYU ISLANDS

UUPG found and Vision Seminar given

The little known Unengaged Unreached People Group (UUPG) in Japan are the Yaeyama. We have had a really difficult task trying to find them. We went to Okinawa. Okinawa is the home state of this tribe. After a Pastor's Vision Seminar in Naha, we got a few ideas of the folks here. Also after a lot of research, we met two of the 5-6 pastors. None of them had Yaeyama in their church! Then we discovered our translator was married to one! Then we found a church that wanted to reach out to them. Most are on nearby islands where there are no churches at all. So we hope to kick off TCD at Ishigaki Island and reach out from there to the neighbor islands. Wow. We claimed John 3:16 as we went and in the last few days the Lord showed up!
Please pray for CHE/TCD/CDE on Ishigaki island!

SRI LANKA

We discovered 4 groups are now working with CHE/TCD/CDE in Sri Lanka.
Pray for networking for the Million Village Challenge.

UGANDA
Refugee Camp seeing TOT take off

A few statistics:

- ~ Number of refugees noted in Jody's report: over 800,000
- ~ Total of 72 baptisms this last week in two churches
- ~ Bibles are needed; Muslim area

Please pray for our brother Geoffrey Adroa as he seeks to serve in refugee camps in Northwest Uganda and for those who have been trained this week.

Working alongside you to see the Great Commission come true!

Much joy and Love,
Hal and Terry
