HAWAII CALLS

TRANSFORMATIONAL COMMUNITY DEVELOPMENT (TCD) TRAINING Hawaii Training Farm in Volcano Village, Hawaii

TCD/TOT1

TCD/TOT2 and TCD/TOT3

For those who have already been trained in TCD/TOT1, and have been involved in working in a village that is starting up and on it's way, there is a second training available.

This will be very interactive and a real help for planning to see a model into reality AND on to catalytic influence in a cluster and a region.

Mrs. Francy OGLE, with many years of experience with the Global CHE Network Service Team will be leading this very valuable seminar. Wow!

Join us 7-11 January 2020

MACEDONIA

Expansion

A Macedonian band of trained evangelists, church planters, disciple makers, and church leaders has established churches of various sizes in some 35+ communities in North Macedonia. Now they want to use Community Health Evangelism (CHE) to go deeper into many of these communities to transform lives and whole communities in Jesus' name. They began their first two CHE village programs last fall.

Working alongside you to see the Great Commission come true!

Much joy and Love,
Hal and Terry
