PERSECUTION TO BELIEVERS IS A CALL TO ACTION FOR SELF SUSTAINABLE OUTREACHES

According to Aid to the Church in Need (ACN), at least 327 million Christians across the world face persecution because of their faith in Jesus Christ. Persecution takes many forms. Since many Christians who experience persecution form a minority in their particular home country, it is often difficult to gather accurate statistics.

Open Doors estimates that 1 in 9 of the world's Christians experience high levels of persecution in the top 50 countries where it is most dangerous to be a Christian, and that every month:

- l 345 Christians are killed – often in public and without regard to gender or age
- l 219 Christians are abducted and imprisoned indefinitely without trial
- l 180 women and girls are raped, sexually assaulted or forced into marriage
- l 106 churches are demolished

The purpose of "Red Wednesday" is to unite hearts and raise voices in support and prayer for those who are persecuted. But, in the spirit of Christ, let's not forget those who persecute – many of whom have come to Christ as a result of the witness of those they persecute. We need to respond as Jesus did when he prayed for His persecutors: "Father, forgive them, for they do not know what they are doing." (Luke 23:34)

Please join with us in praying for persecutors and those who are persecuted for their faith in Christ.

Working alongside you to see the Great Commission come true!

Much joy and Love,
Hal and Terry
