FINISHING THE TASK

MEETINGS AT SADDLEBACK HIGHLIGHT HISTORIC MISSIONS MOVEMENT AND THE IMPACT FOR CHE/TCD/CDE IS ENORMOUS!

The first week of December Pastor Rick Warren led about 600 mission agencies, many from the Global CHE Network, into a CELEBRATION of the benchmark that now EVERY TRIBE ON EARTH has been adopted for sending full time workers! 19 years ago we began to meet, about 40 of us. We prayed for the remaining approximately 4,000 tribes not yet adopted. They were unengaged and unreached. After all these years of working meetings the final tribes have been adopted and targeted to have full time workers in them within 2 years! This is HISTORIC!

In our meetings this past December, a new goal was agreed upon: THE SCRIPTURE OF EVERY TRIBE BY 2033. There are several thousand tribes with no scripture. Most of these tribes are poor and rural! The Global CHE Network, as it engages the Million Village Challenge, will play a key role in providing training, opening doors, and providing impetus for this. Running parallel with this, the United Nations has set the goal of totally eliminating poverty by 2030. Today many even in the UN see integrated holistic development amongst the rural poor (i.e. CHE, TCD, CDE) as very strategic for reaching this goal!

Another AMAZING fact is that Saddleback Church has adopted the CHE format as their OWN missions' plan called the "Peace Plan"!

I believe that in my lifetime we will see the fulfillment of taking the good news and community based development to the final villages on earth that are not yet reached! What a great time to be alive!

Working alongside you to see the Great Commission come true!

Much joy and Love,
Hal and Terry
