TRANSFORM WORLD GLOBAL LEADERSHIP CONFERENCE

Scheduled for October 2020!

THE FORCE OF TRANSFORMATION is on the move!!

Let us remember that nations are transformed by movements of communities changing. Movements are launched by people movements sparked by catalytic change. Model catalytic villages are not transformed by a focus on projects, but by a community vision for transformation, unified in working for becoming self-sustaining, self-led, and self-propagating! Thanks for all you are doing to make this a reality!

HAWAII CALLS

TRANSFORMATIONAL COMMUNITY DEVELOPMENT (TCD) TRAINING Hawaii Training Farm in Volcano Village, Hawaii

TCD/TOT1

Transformational Community Development/Training of Trainers 1.

TCD/TOT2 and TCD/TOT3

For those who have already been trained in TCD/TOT1, and have been involved in working in a village that is starting up and on its way, there is a second training available.

This will be very interactive and a real help for planning to see a model into reality AND on to catalytic influence in a cluster and a region.

22-25 July 2020

(Arrive morning 22 July. Depart morning 26 July.)

For more information, please contact:

NEWS BRIEFS

ALBANIA

Miracles and Opening Doors!

Leaders in a key village are excited about the possibility. Recently a woman has been having health problems, severe abdominal pain for almost a month. After many visits with the doctors and different tests, they found that she had a pancreatic cyst and the doctors were recommending surgery. She came to the church for people for prayer. They prayed with her several times and praise the Lord she now has no abdominal pain and maybe won't even have to have surgery!

GENEVA

Swiss in Geneva Hold CDE Training for Field Volunteers

27 -29 February 2020 – Top trainers are offering a *free* CHE/TCD/CDE Training Expanded Vision Seminar in Ferney Voltaire on the Geneva Border. Trainers from Switzerland, South East Asia, helping in Slavic Republics, and Armenia will participate. For more information or to register, email GILPP@ghni.org Space is limited! See below in MVC Consultations

CAMEROON

Horrendous Disaster Engaged by Holistic Workers Committed to CHE/TCD/CDE

Pray for the 500,000 Internally Displaced Peoples (IDPs) in Cameroon due to the Anglophone crisis and separatist movement. Pray for the resolution of the crisis and for the success of the Water, Sanitation and Hygiene (WASH) Kit distribution, stabilization, and transition to community based development.

TAJIKISTAN

Christmas Celebrations Seed into New Villages!

Launching CHE/TCD/CDE into new villages. Praise God for the successful outreaches during the Christmas Season. They shared about the stories of Jesus and the Gospel. A TCD Worker was also able to provide a special holiday meal at a leprosy colony (yes, they still exist) next to one of our TCD villages.

AFGHANISTAN

A CHE/TCD/CDE training center for women has opened up in a small village.

TURKEY

Martyr

Things in Turkey have become increasingly antagonistic. Unfortunately, just over two months ago, a Korean missionary was martyred. One tragic thing about this is his second child was born just a week after his death. Pray that God proves that He is a Father to the fatherless for this family. Residency is becoming increasingly difficult and the government has denied re-entry (a form of deportation) for more than four dozen senior Christian leaders. A senior CHE/TCD/CDE worker keeps moving and has started an English Club, to find spiritually open people and gear towards a village work.

HOLY LAND

Seed Project Launched to Train Nationals in CHE/TCD/CDE!

Rejoice for the start of the Garden Project with Aliyah Return Center in Galilee.

CHINA

Please pray for wisdom and direction for CHE/TCD/CDE partners in this country as to how to proceed with their work during these challenging times. As a result, potential projects in villages are slowing down.

CHAD AND SENEGAL

Expansion of Clusters!

Pray for resources as we engage villages selected during the Million Village Challenge.

WEST AFRICA – MALI AND NIGER

Expansion of Cluster Commitment!

Thank God for the successful CHE/TCD/CDE training of over 120 champions from 13 countries! Pray for grace as they implement CHE/TCD/CDE across West Africa.

MAURITANIA

Seed Projects for CHE/TCD/CDE!

Pray for the team of Trainers as well as the Mauritania champions helping villages with their transformation through the Jesus Film and goat loans.

INDONESIA

Million Village Consultation for National Engagement Scheduled

Pray for the upcoming Million Village Challenge (MVC) possibilities on 25-27 March; that local church leaders will catch the vision at this event.

For more information, contact:

THE BODY IS MOBILIZING TO [mobilize.equip.deploy](#) CARPE DIEM: LET US SEIZE THE DAY!

**What would happen if the whole world understood who Christ is within one generation?
Not just information about Jesus but a complete revealing of the One who is seated on the throne.**

It's impossible to encounter the magnificent, living God and not be affected. We see all through the Bible what happened when people saw the Lord: Moses on the Mount, Isaiah when He saw Him high and lifted up, the prophet Daniel, and the disciples on the Mount of Transfiguration.

In each case, they were affected in very dramatic ways!

Habakkuk 2:14 tells us, "The earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea."

**I believe this could be the beginning of a generation that experiences this reality...
I am not alone in this belief.**

**In my recent conversation with Loren Cunningham, the founder of YWAM, he said the very same thing. He said, "If we will understand and cooperate with God in this generation,
we could see Habakkuk 2:14 be a reality.**

The choice is before us. Will we believe and act in this hour?"

**The call2all Movement began in 2008 to help pull together the Body of Christ to see the finishing of the Great Commission. Every people group and every person with a Christian witness,
the Word of God, and the opportunity to be part of a Christian community.
The potential for seeing this happen is in front of us!**

**As we move into 2020 and beyond, we must work with God and take the necessary risk of faith
so we don't miss this opportunity. When Jesus spoke about the end of the age, He said,**

"As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away."

Matthew 24:37-38

We have what we need in the Body of Christ right now to see the completion of the Great Commission and Christ revealed to everyone across the globe!

Let's work together in 2020 and beyond to see Habakkuk 2:14 become a whole new reality!

**Blessings to you in every way,
Mr. Mark ANDERSON
President GPN/Call2All
[mobilize.equip.deploy](#)**

Working alongside you to see the Great Commission come true!

Much joy and Love,
Hal and Terry
