Global Summit invitation

co-sponsored by four major movements:

GTN/Statesmen Project/Transform World/ICAL

October 27-29 in-person in Dallas, Texas (USA) and virtually on-line

Movements that share a common passion for discipling nations and transformation of society have been working together more and more. Now the world is in chaos from pandemics and violent riots and economic crises, so now, more than ever, the church must come together AS ONE to work on solutions. This summit will be unique because it will be a convergence of global pastors and apostles, and 7-sphere professionals in one event, working not just for revival but for reformation.

Besides plenary sessions where you will hear from pastors and politicians, business leaders and

educators, there will also be breakout sessions to focus on worldview education, public policy, and community action councils where everything is practically applied.

Cost is \$300/person for registration and includes some meals. Lodging is extra. A special rate for lodging in Hyatt Regency Hotel in DFW airport is available.

[If you cannot attend in person, for a smaller fee, you may join online by video, with break-out zoom rooms and real-time delegate to delegate interaction.]

Special note: If you are a high-level leader in one of the 7 spheres of society, not just in church, then a special extra day is planned starting Sunday afternoon Oct 25 for you to meet and collaborate privately with similar leaders from around the world. If you are interested or want to recommend someone for this extra day, please [go to this link](#) to apply or email us for more information.
