"RESET"

You are invited

A Four Day International Watchmen

Interactive *Virtual* Summit

*I will stand my watch and set myself on the rampart,
and watch to see what He will say to me
and what I will answer when I am corrected. Hab 2:1*

Dear Friends,

Greetings to you! We believe we are in unprecedented times. A spiritual battle is raging. The harvest of nations looms before us as anarchy, pestilence and rebellion rage daily before our eyes. God is calling us into new battle array. To answer this call, we are inviting you to join with others from across the nations 10-13 of August for a dynamic and interactive International Watchmen Summit. Due to COVID-19 restrictions, we have shifted the Summit scheduled for Herrnhut, Germany to on-line platforms. Because of the hour and times, we are mobilizing to virtual platforms via [Zoom](#), [Facebook](#), [YouTube Live](#), and [Church on-line](#) to herald this call. Though we will miss meeting in person, we look forward to meeting on-line and believe God will cause His Word to "run swiftly," 2 Thess 3:1, as we respond to the times we are now in. For more information [click here](#).

Schedule:

- August 10-12th will be one hour visionary sessions followed by optional opportunity for breakout discussions and prayer. Though the breakout sessions are optional, we strongly urge all who can to participate as this will be where the "Rubber meets the road," and valuable connections are made.
- August 13th will be a four hour anniversary special celebrating the outpouring August 13, 1727.

Registered attendees will get the information for breakout rooms via email prior to the Summit... so please register below to help us facilitate these connections.
