## **MESSAGE FROM MR. TERRY DALRYMPLE**

My dear friends,

As I write this “end of year” letter, I believe we each could look back at 2020 with mixed emotions, but this we know as truth: our God is good. He is in control and He has a plan to lead us into the future!

We look back and see the challenges which have come into being with COVID-19. We have learned to use technology in new ways and how to collaborate via “Zoom”. We have raced to bring teaching to the village regarding COVID-19 and its prevention.

We can also see amazing opportunities to share Christ as many are living in fear and need the hope which Jesus brings. It was our dear brother, Hal Jones, who saw this vision clearly!

When Hal asked me to take over the leadership as catalyst for poverty alleviation with Transform World and this newsletter, my expectation was that Hal, my mentor, would be here to guide through this transition. This presents an unexpected challenge, but in honor of our Lord Jesus and His servant, Hal, let us continue to work toward the Million Village Challenge!

I ask for your prayers and help in this endeavor. We are working on maintaining mailing lists and advancing the coalitions which Hal had built. We will reach out after the New Year with specific questions to help us to move forward together.

I write to you to encourage you to press on to the high calling which God has given each of you. Take up the challenge with intellect, creativity, and bathed in prayer. See the opportunities and don't miss one!

God bless you as you serve Him,  
Mr. Terry DALRYMPLE

PS—What have your challenges been?
