

Transform World is pleased to announce the first of its kind online event for those who have accepted the Million Village Challenge and are committed to reaching every community in every country with the wholistic Gospel of the Kingdom. This event is designed to set in motion conversations that strengthen transformational ministries worldwide through the exchange of ideas and the formation of partnerships.

IWMC 2021 (International Wholistic Mission Conference 2021) is not a typical missions conference but a series of regional conversations for those doing transformational development work called “**Roundtables**”. These conversations, that will take place **October 13-14**, will be followed by an online Global Summit to celebrate what God is doing worldwide on **October 15**.

Each regional roundtable will be hosted by leaders from the Global CHE Network with broad experience catalyzing movements of Christ-Centered community development in the regions they represent. Regional Roundtables will be conducted in the language of the region at a time that is appropriate to the region. The Global Summit will be in English.

The event is free. **Registration** is now open and the number of participants in each roundtable is limited. Go to www.wholisticmissions.com and reserve your place at the table today. For any questions, contact terry@chenetwork.org.
