BRINGING THE HOPE OF THE GOSPEL TO FUTURE

GENERATIONS THROUGH DIGITAL EVANGELISM.

Missed our FREE Webinar 'WHAT IS WELLNESS?' Watch it Now!

This dynamic **WHAT IS WELLNESS?** webinar is to raise awareness of mental health issues & wellbeing around the world and to mobilize efforts in support of others.

This provides an opportunity for us as Christians to speak into the issues, to share about our work, and what more needs to be done to make wellness a reality for more people worldwide.

During the webinar, we will be sharing stories, films, and facts about the challenges people face for a life of wellbeing.

Our global panelists will discuss what can be done to change these life situations & ways to bring the hope of the gospel in new personal ways.

The webinar is bringing together global Christian media ministries who are focusing on wellness and creating dynamic resources to engage with heartfelt needs people have.

Please enjoy this & share together with others.

WHAT IS WELLNESS?

GLOBAL PANELISTS

Vishal Pulikottil, Country Manager CV India, IN

Vishal is passionate about leveraging the technology and platforms of our age to introduce people to Jesus. He's a firm believer that the miracles of technology are gifts from God to be used towards for the advancement of His Kingdom. If technology can enrich things like the way we connect with each other or the way we do commerce, why can't it enrich the way partner with God in His mission?
