"WE GAVE UP SO MUCH: COVID CHANGED YOUNG PEOPLES LIVES"

World Mental Health Day 10 October & Awareness Month 2022 from 7MEDIA.org

"COVID has left a third of young people feeling life is out of control. Researchers also found more than 60% of 16-25 year olds are scared about their generations future." (The Guardian UK)

We invite you to share our HOPE filled media content on your social media pages and to your friends & family. Please consider highlighting Mental Health in your Church programs & Youth Ministry for Awareness Day of 10 October

Could you consider contributing towards the production & translation costs for media? We want people across the globe to receive HOPE filled, Gospel-centered media. Check out the opportunities to give at www.7MEDIA.org/donate

"Blessed are those who trust in the Lord, and have made the Lord their hope & confidence!"
