

CHE/TCD WORKERS ARE TOUCHING THE LIVES OF 10,000,000 PEOPLE GLOBALLY

Dear Co-laborer for the Kingdom,

New statistics have just been released by Global CHE Network's member services coordinator, Jenna Schmid. We owe a big "thank you" to Jenna who has worked hard communicating with our members, updating records, and mapping our movement.

I'm sending these numbers to you, along with some encouragement to help Jenna continue to paint the picture of what God is doing globally. If you are doing Christ-centered community transformation among the poor and are not a member of the CHE Network, we want to know where you are working and how we can serve you. Please send an email to memberservices@chenetwork.org and we'll get back to you with information about training opportunities and resources as well as opportunities to connect with others doing the same kind of work in your region.

We are moving steadily toward our goal of 10,000 model villages as the first step in our vision for a million-village movement. Below is data collected from about 1/3 of our GCN membership in the last eight months. If you want to include your work as we track progress toward our collective goal, please contact memberservices@chenetwork.org and we will add your stats to those below.

- 111 countries
- 6624 communities (approximately 10,000,000 people)
- 36,832 workers
- People in Growth Groups: 15,489
- Churches Planted: 3123
- Cooperating Organizations: 294

Merry Christmas to you and yours. May we continue to serve together to HIS glory.
