

The 1st Global Harvest Summit

John Hur, General Secretary of TW 2033 provides the BSH news released in Kookmin Daily Newspaper on Nov. 23, 2023.

"In this chaotic time, this is a good opportunity for missions... The day of the Lord's coming is near." [Billion Soul Harvest Movement] What does the 'Great Harvest Strategy Meeting' cover?

The 1st Global Harvest Summit, which will be held on an invitation only basis in Pyeongchang, Gangwon-do, from 29 Sept – 3 Oct 2024 as a festival to save the souls of the global village, is emerging as a concern for the Christian world around the world. This is because it will be held just after the 4th Lausanne Congress Seoul 2024. It is worth noting that the Hallyu craze (The Korean Wave) is also manifesting itself in the 'K-mission' and 'H-spirit' that require the strengths of Koreans in the face of the desperate task of rapid world evangelization.

Speakers at the conference include General Secretary Thomas Schirmacher (WEA), President Jason Hubbard (IPC), Chairman Rick Warren (FTT Movement), International Facilitator Ricardo Luna (TW), President Dave Gibson (GACX), Austin Ukachi (GHI), International President William Wilson (World Pentecostal Association), President Werner Nahatigal (Go Movement), President Cho Jung-hwan (CEF), President John Sorensen (EE), President Kevin Brown (Asbury University), and Professor Joseph Kim (Harvard University). Also in attendance will be Dr. Luis Bush (USA), Bishop Stephen Mutua (Africa), Dr. Ponrazi (India), Pastor Santos (Brazil), Pastor Eddie Ma (Hong Kong), and other global mission strategists representing continents and countries.
